

He was a true friend in every sense of the word.  
The wisdom and humor he shared were at no cost,  
Yet priceless beyond value.  
His generosity was deep, genuine, and endless.  
He was a great teacher of what is important  
And what is not and how to tell the difference.  
You always knew when he was in the room  
Simply by his laughter and the warmth he brought.  
He was gifted with charisma and good humor  
That made him easy to like  
And easier to miss when he wasn't around.  
Thank you Brian, for all you have done,  
Both up to now and in the ways we won't realize  
Until years down the road.
